A Message to Car Owners

Stop and think, Mr. Car Owner, how fortunate we, in free America, are, to have cars, trucks, and modern transportation. We have taken for granted so many of the things all-out war makes us see realize how lucky we are. And too, all-out war makes us see why we should take care of our conveniences, and necessities. Take thought, Mr. Car Owner! Victory may be a long way off. We hope not. But you must protect your transportation.

Your problem is our problem. Consider the necessity of visiting one of Burge's THREE modern Service Stations, regularly. "Burge's" Auto Service has gone to war! We are prepared to help you keep rolling. Use our free inspection service. For example—

Every time you see on the battery, "Check", it means the battery again. But you are not doing as much driving now. Therefore, your car needs frequent battery inspection.

And again, for example—

You are trying to get more "miles per gallon." A factor in that is the condition of your car's Spark Plugs. Let one of Burge's THREE Stations check them.

Oil need changing?

Tires under inflation?

Radiator checked lately?
